

The Alphabet Challenge!

Over the next few weeks/months we will be sharing activity ideas with you so that you can still enjoy some Girlguiding activities whilst you're at home.

We will endeavour to send you activities for interest badges, skills builders and other fun badges that you can choose to do as and when you have time – they will be activities that you can do at home without the need to go and buy resources.

Send Amber an email/WhatsApp message with everything you do towards your badge so that we can sign it off – it can be photos, descriptions, videos, drawings, whatever suits you.

We'll keep a record of any badges you earn, and we will give them out when we are next all together at Rangers.

We thought the '**Alphabet Challenge**' would be a fun one to start with! So, your challenge is.... to do an activity beginning with every letter of the alphabet!

Use your imagination and be creative, see what you can come up with! 26 challenges for 26 letters of the alphabet. It can be as challenging as you make it, big challenges or small challenges – it doesn't matter!

Some ideas could be:

- A – eat an **A**pple
- B – tie a **B**ow
- C – try **C**alligraphy
- D – play a game with a **D**ice
- E – draw an **E**lephant
- F – make paper **F**lowers
- G – make a **G**ift for someone

I'm sure you can think of more! Good luck!
